The Board of NERPSA is inviting expressions of interest from suitably qualified and experienced members of the community to join us. NERPSA is a not-for-profit association whose vision is to ensure excellence in early childhood education for North East Victoria. We oversee the management of fourteen services in the local area and comprise both community and parent representatives.

If you have skills in human resources, education, law, finance, management, Board experience, risk management or OHS, or are just passionate about the future direction of early childhood education, please contact our Manager, Leigh, on 0409 025724 for further information.
